### About This Game

Once upon a time a school-boy got a copy-book. But it was not a usual one! Anything you draw in this copy-book becomes alive. And so did Liny! The romantic character, who wants to learn more about the world and become free!

But it is not so easy. He has to overcome numerous obstacles. Water or an eraser can destroy him. So, sharpen your pencil and draw! Do not let Liny stop on his way towards a dream!

A hundred of wonderful levels is waiting for you: you will be able to relax and enjoy!

The concept is interesting. you "draw" springs to jump and fire balls to destroy walls, all while your character auto runs. it also has a strange learning based concept behind it. as you run there are pictures behind you that depict various landmarks and has information about them.

for a dollar its an ok platformer. ill give the thumbs up for the music.
